### PREAMBLE/COLLABORATION

This Memorandum of Understanding (MOU) is between the Shelby County Board of Education hereinafter called the "Board", and the Memphis-Shelby County Education Association (M-SCEA), an affiliate of the Tennessee Education Association and the National Education Association, hereinafter called the "Association". The Board and the Association are sometimes hereinafter referred to as the "Parties". The purpose of this Memorandum of Understanding shall be consistent with the purposes set forth in T.C.A. 49-5-601.

Furthermore, the Parties agree that the education of the students is paramount in the operation of the Shelby County Board of Education.

## ARTICLE 2

### RECOGNITION

**Section A.** The Board recognizes the Association as the sole collaborative conferencing representative with respect to terms and conditions of employment for professional employees. Professional employee means any person employed by any local board of education in a position that requires a license issued by the State Department of Education for services in public elementary and secondary schools of this state, supported, in whole or in part, by local, state, or federal funds, but shall not include any member of the management team, as defined in this part, or a retired teacher who is employed as a teacher in accordance with Title 8, Chapter 36, Part 8.

**Section B.** The term "professional employee" in this Memorandum of Understanding shall refer to any employee included in the collaborative conferencing unit as defined in Section A of this article and as listed in Appendix E.

## ARTICLE 3

### GRIEVANCE PROCEDURE

**Section A.** A "grievance" is defined as a complaint concerning an alleged violation or misapplication of any specific provision of this Memorandum of Understanding and Board Policy.

**Section B.** The term "grievant" is defined as any professional employee in the collaborative conferencing unit including the Association President for Association grievances as provided for in Appendix F.

**Section C.** The following are the supervisors referred to in Steps 1 and 2 of this article:

Step 1. Principal or manager, as appropriate.

Step 2. Instructional Leadership Director (ILD), Director, or designated representative, as appropriate.

**Section D.** The standard grievance form, attached hereto as Appendix F, shall be the approved grievance form.

**Section E.** Hearings held under this article shall be conducted at times and places which will afford a fair and reasonable opportunity for all persons, including witnesses, who would be entitled to attend. Such hearings will be conducted during nonschool hours unless there is mutual agreement for other arrangements.

**Section F.** An M-SCEA member grievant has a right to be accompanied, represented, and advised by an Association Representative, if the grievant so desires, to assist in the resolution of grievances. At Step 1, representation may be by the grievant's Association Representative (AR). Beginning with Step 2 and above, such representation may be by an Association designated representative. In the event a grievant chooses not to be represented by the Association, the grievant shall state this in writing at the appropriate place on the grievance form at the time the grievance is initially filed. In such case, the Board will notify the Association prior to issuing the response at Step 2 and Step 3, as applicable, in order to give the Association the opportunity to discuss the grievance with the Superintendent's designated representative prior to issuance of the response.

**Section G.** All grievance processing shall be handled exclusively in the following manner:

**Step 1.** Within fifteen (15) working days after the occurrence, the grievance will be presented in writing (on the standard grievance form with all requested information provided) by the grievant to the immediate supervisor. Said supervisor shall within six (6) working days of the receipt of the grievance, meet with the M-SCEA grievant and/or an Association Representative (AR), if the grievant so desires, in an effort to resolve the grievance. If an adjustment is not made at this meeting, the supervisor will respond to the grievance in writing within six (6) working days after the date of said grievance meeting.

By mutual agreement between the Association and the Superintendent's designated representative, a grievance may be presented to the grievant's immediate supervisor at the time the grievance arose and processed in accordance with Step 1 of the grievance procedure.

**Step 2.** If a satisfactory agreement is not reached at Step 1, the grievance may be presented by the grievant to the appropriate supervisor within six (6) working days from the date of response of the Step 1 supervisor. Said supervisor shall within six (6) working days of the receipt of the grievance at Step 2 meet with the M-SCEA grievant and/or a professional Association staff representative, if the employee so desires, in an effort to resolve the grievance. If an adjustment is not made at this meeting, the Step 2 supervisor shall respond to the grievant in writing within six (6) working days after the date of the Step 2 meeting.

**Step 3.** If a satisfactory settlement is not reached at Step 2, the grievance may be presented by the grievant to the Superintendent's designated representative within six (6) working days from the date of response of the Step 2 supervisor. The Superintendent's designated representative, within six (6) working days of the receipt of the grievance in Step 3, shall meet with the M-SCEA grievant and/or a professional Association staff representative, if the employee so desires, in an effort to resolve the grievance. If an adjustment is not made at this meeting, the Superintendent's designated representative shall respond to the grievance in writing within six (6) working days after the Step 3 grievance meeting.

**Step 4.** If a satisfactory settlement is not reached in Step 3, the Association or non member grievant may, within ten (10) working days after the response at Step 3, submit the grievance to arbitration by submitting to the Superintendent's designated representative a joint request form for a list of seven (7) arbitrators to be supplied by the Federal Mediation and Conciliation Service (FMCS). Within ten (10) working days of receipt of said form, the Superintendent's designated representative shall direct the request as a joint request to the FMCS. Within ten (10) working days of receipt of the list of arbitrators, the Association or non member grievant shall advise the Superintendent's designated representative that a representative of the Association is available to select an arbitrator to hear the grievance. The Parties shall select an arbitrator from the list by alternately crossing out names until only one (1) remains. Either Party may elect to reject the first panel.

**Section H.** The arbitrator shall be limited in making the determination as follows:

1. The arbitrator shall have no power or authority to add to, subtract from, change, modify, or alter in any way the provisions of this Memorandum of Understanding, or impose on any Party hereto a limitation or obligation not explicitly provided in this Memorandum of Understanding.
2. The arbitrator shall have no power to change any practice, policy, or rule of the Board, nor to substitute the arbitrator's judgment for that of the Board as to the reasonableness of any such practice, policy, or rule.
3. The decision of the arbitrator shall be advisory, but will be adopted unless specifically rejected by the Board within thirty (30) days following receipt.

**Section I.** All fees and expenses of the arbitrator shall be borne equally by the Board and the Association or non member grievant. The grievant shall suffer no loss of pay or benefits, which may be due for attendance at hearings conducted during normal school hours. Any salary which may be due for up to two witnesses who are called by the Association or non member grievant shall be shared equally by the Association or non member grievant and the Board if the witness is a member of the collaborative conferencing unit. All other expenses including salaries of any other witnesses called before the arbitrator shall be borne by the Party calling such witnesses or incurring such expenses.

**Section J.** It is understood that time is of the essence; and the time limits provided for in this article will be strictly adhered to, subject to the following procedures:

1. Time limits provided in this article may be extended by signed mutual agreement of the Parties, not to exceed a total of sixty (60) calendar days at Step 4, which shall be in addition to those days provided for in Section G, Step 4.
2. Failure of the appropriate supervisor at any step of the grievance procedure to comply with the specified time limits shall grant the requested award.
3. Any grievance which is not presented within the time limits of the grievance procedure, as provided herein, and any grievance which is not advanced from one step to the next within the time limits provided for in that step, and the failure to initiate any action in Step 4 within the time limits specified, shall result in the grievance being considered void.
4. For purposes of this article, a working day is defined as any day, Monday through Friday, on which schools are open during the normal school year. (The first working day to be counted shall begin at 8:00 a.m. the working day following the day on which the time limits are based). After the last day of the normal school year, a working day shall be defined (for purposes of this article) as Monday through Friday, when the administrative offices of the Board of Education are open.

**Section K. Association Grievances**

The Parties agree that the intent of Section B of this Article is as follows:

1. A professional employee may file a grievance for himself/herself only. The professional employee may not file for a group or a class of professional employees.
2. A grievance filed by a professional employee must be limited to allegations of a violation or misapplication of the MOU, which involves a direct personal right or affects him/her directly and personally.

3. A professional employee may not file grievances involving rights or processes relating to Association matters such as alleged failure to permit entry into the school by a staff representative, failure to remit dues, use of facilities, matters concerning the establishment or non-establishment or operation of committees, or matters relating to a group of professional employees.
4. The President of the Association may file grievances as a professional employee as provided in (1) and (2) above. He/she may also file as the President, in which case he/she may file the type of grievance listed in (3) above.
5. All Association grievances shall be initiated at Step 3 of the grievance procedure.

**Section D.** In order for dues to be deducted, a professional employee's earnings must be sufficient to cover the amount of the appropriate Association dues after other legal and required deductions are made. Any professional employee who executes a written assignment authorizing payroll deduction prior to any authorized leave shall have his/her regular dues and two additional pay periods of dues deducted from the last paycheck received prior to the leave. The dues deduction will be resumed when the professional employee returns from leave. When a professional employee is in a non-pay status for an entire pay period or is in a non-pay status for part of a pay period and his/her earnings are not sufficient to cover the deductions, no deduction shall be made for that pay period.

**Section E.** The Association will indemnify and hold the Board harmless against any claims made or against any suits instituted against the Board on account of payroll deductions or Association dues. 2. Create an intimidating, hostile or offensive work environment;
3. Imply that submission to such conduct is made an explicit or implicit term of employment; or
4. Imply that submission to or rejection of such conduct will be used as a basis for an employment decision affecting the harassed employee.

There will be no retaliation against any person who reports harassment or participates in an investigation. However, any employee who refuses to cooperate or gives false information during the course of any investigation may be subject to disciplinary action. The willful filing of a false report will itself be considered harassment and will be treated as such.

Alleged victims of sexual, racial, ethnic, or religious harassment shall immediately report these incidents. This report should be made to the immediate supervisor except when the immediate supervisor is the offending party. If the immediate supervisor is the offending party, the report may be made to the Federal Rights Coordinator at 160 S. Hollywood, Memphis, Tennessee 38112 – (901) 321-2500. Allegations of harassment shall be promptly and fully investigated. An oral complaint may be submitted, however, such complaint must be reduced to writing to ensure a more complete investigation. The complaint should include the following information:

Identity of the alleged victim and the person accused;

Location, date, time and circumstances surrounding alleged incident;

Description of what happened; and

Any other evidence available.

After a complete investigation, if the allegations are substantiated, immediate and appropriate corrective or disciplinary action shall be initiated. A school representative or Federal Rights Coordinator will meet with and advise the complainant regarding the findings, corrective measures and/or disciplinary action. The investigation and response to the complainant will be completed within 20 school days.

If the complainant is not in agreement with the findings of fact as reported by the school representative or Federal Rights Coordinator, an appeal may be made, within five (5) work days of receiving notification of the findings, to the Superintendent. The Superintendent will review the investigation, make any corrective action deemed necessary, and provide a written response to the complainant. A substantiated charge against an employee may subject such person to disciplinary action up to and including termination.

Building administrators are responsible for ongoing education, formal and informal, regarding this policy and procedure in the building in which they work.

3. If the state provides a cost of living adjustment (COLA) for the 2015-2016 school year, the Board agrees to pass the state percentage increase on to those on the salary schedule.

**Section G.** The Board agrees that there is not, nor will there be, any intent or directive to evaluation observers to limit the number of TEM 3, 4, or 5 teachers.

**Section H.** A job description and posting criteria will be developed for each 'Career Pathways' opportunity. Any teacher who meets the posting criteria may apply for the position(s). An interview and selection process will be implemented.
